

THE EVOLUTION OF GAMING.

Engaging the Next Generation of eSports, on the Blockchain with eGI Token.

eSports Betting

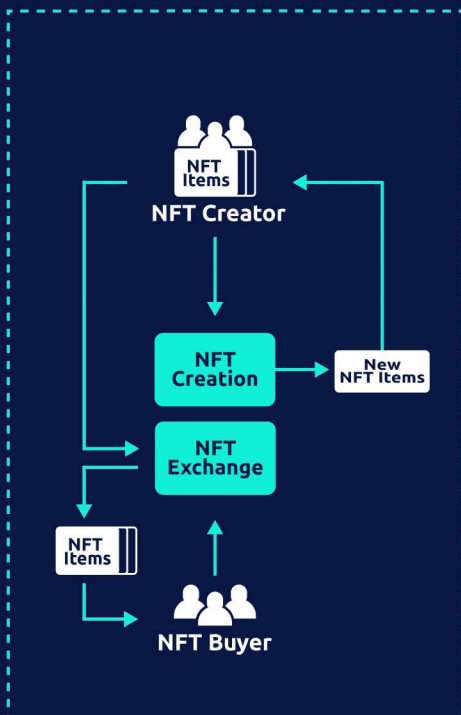

eGame Tournaments

eGame creates meaningful engagement like never before between fans and players of eSports.

On the eGame Platform, users create communities, provide insight, create fantasy tournaments, engage in safe betting, and sponsor the growth of up-and-coming players all over the world.

NFT Exchange

On the eGame platform, players can create and sell their own NFTs and other digital goods.

By staking eGI, users can get access to Exclusive Bets and be more involved in communities, allowing them to earn eGI rewards.
